

1518 Series

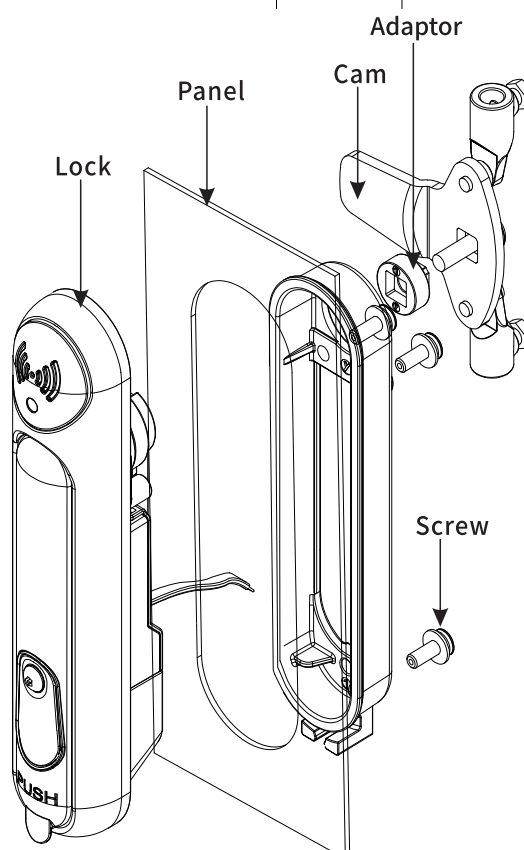

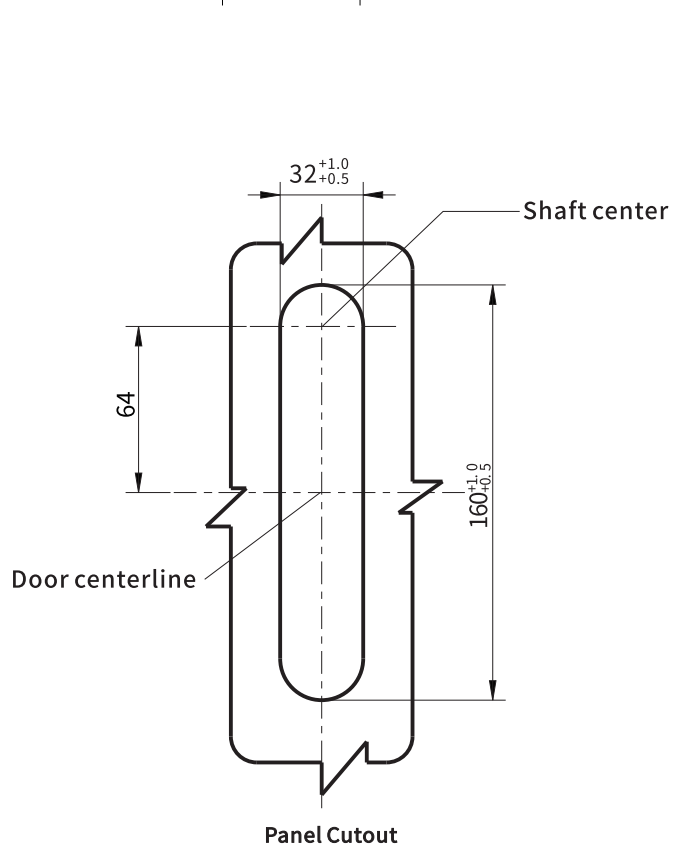

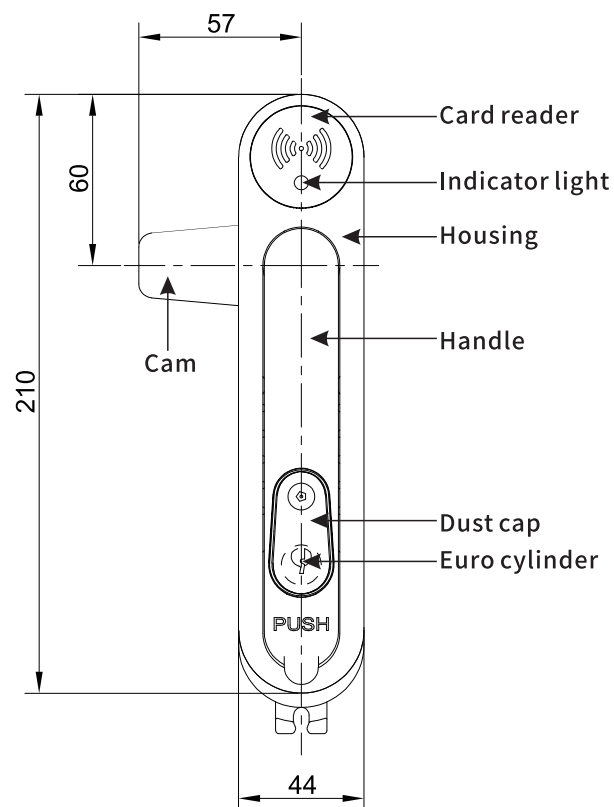

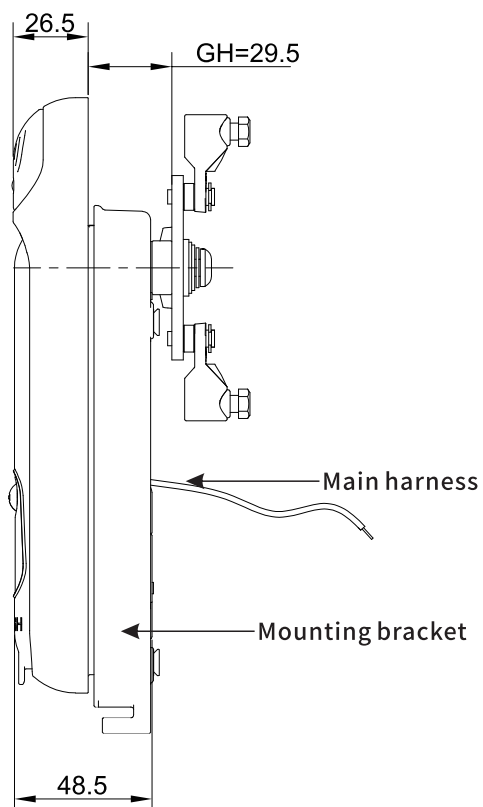

High prying resistant level

High IP level

Suitable for indoor and outdoor use

Dimensions

Features

- Stable and reliable waterproof electromagnetic drive mechanism.
- Adopt standard euro cylinder.
- Higher IP protection grade(IP65).
- Timely acousto-optic feedback function.
- User-friendly manual unlocking function.
- Offline recording function.

Product Description

No.	Item	Parameter
1	Dimensions	210mm X44mm X 27mm
2	Working voltage	DC 12V
3	Rated current	50mA
4	Working current	450mA
5	IP rating	IP65
6	Access ways	Mechanical key + Remote Control(485) + IC Card(optional) + Bluetooth(Optional)
7	Communication method	RS485
8	Storage capacity	Card: 200 Groups
9	Material & Finish	Zinc alloy , Black textured powder coated

Parameter		
No.	Access ways	
1	Mechanical key + Remote Control + IC Card	1518-3226-20
2	Mechanical key + Remote Control + IC Card+ Bluetooth(QR Code Scan)	1518-32236-20
